Hello!

You are warmly welcomed to join *A Family of Faith* coming this fall! The goals of the program are to encourage and equip families to live and teach their children the Catholic Faith at home. With one Adult Session and one Community/Family Session each month, this program improves upon CCD and will give you all the knowledge and tools you need to bring your children up in the faith. **Studies have shown that parental engagement with children is the single most effective way to develop young people into disciples of Christ.** Family-based models are fundamental to developing a faith life that is lived out in the family and in a community. For this reason, the Catholic Church is moving toward these models.

The link for the registration is on our website. We are asking families to register **as soon as possible** to aid us in planning for the new year. **Registration is \$75 for the whole family, but if you register before August 13th the cost is only \$65!**

Materials can be ordered directly from Sophia Institute for Teachers (see the information page for details). Be sure to use the discount code Matthew40 to get a 40% discount! We are encouraging families to order their books **as soon as possible** to ensure they will arrive in time for the start of the program.

This year we are excited to explore Christian Prayer in the Volume IV edition of *A Family of Faith*.

I look forward to seeing you soon!
